The City of Brookville Police Department Strategic and Scenario Planning Process Has Begun

Strategic and Scenario Planning Process

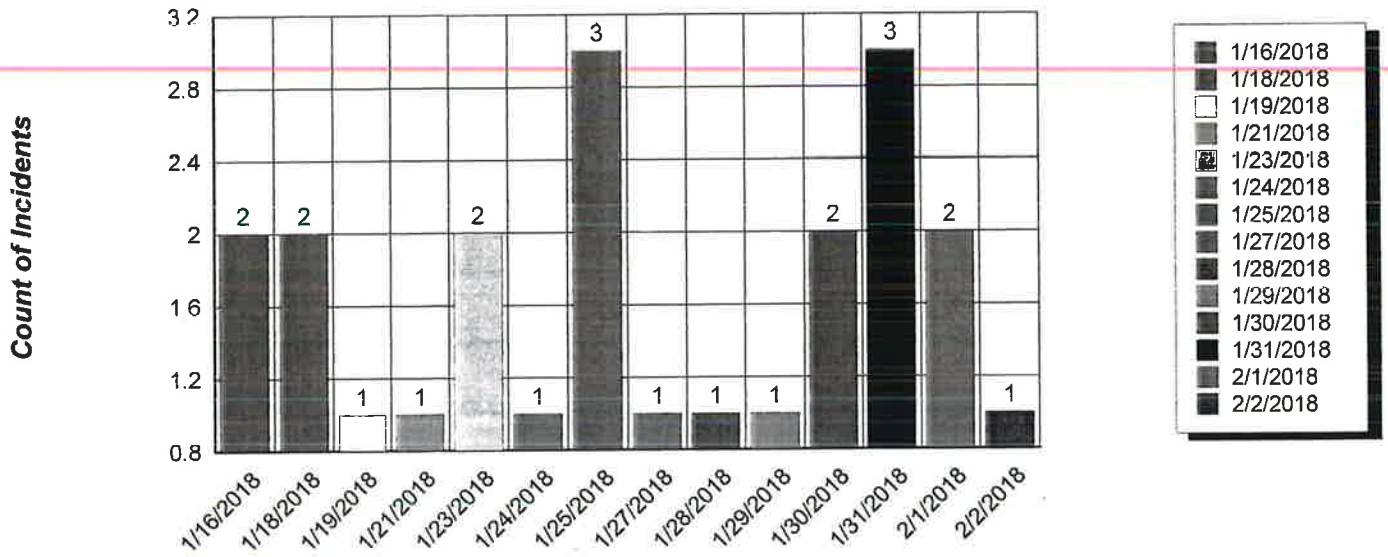

“A deliberate, disciplined approach to producing fundamental decisions and actions that shape and guide what an organization (or other entity) is, what it does, and why.”
(Bryson, 2011 p.7-8).

“A primary purpose of scenarios is to create holistic, integrated images of how the future might evolve. The images, in turn, become the context for planning, a testing ground for ideas, or the stimulus for new development.”
(Ratcliffe, 2000)
