

FROM THE DESK OF...  
RONALD E. FLETCHER, OFE, OFC  
DIRECTOR OF FIRE / FIRE CHIEF

May 1, 2018

**TO:** Mayor and Council  
**CC:** Gary Burkholder, City Manager  
**FROM:** Ronald Fletcher, Fire Chief  
**REF:** **Operations Report for May 2018**

Fire Department personnel responded to **127 EMS** and **12 Fire** incidents during May. Crews handled a total of **139 incidents for the month**. This is 35 less incidents than handled in May 2017 and marks the lowest number of calls for May since 2012. To date we've responded to **721** calls for service - 188 less incidents compared to this point one year ago.

There were zero dollar loss fires in the Brookville district in May.

The **127** EMS responses included responses to five (5) injury crashes and five (5) non-injury crashes, and one (1) pedestrian struck during the month.

Relocation of our operations to the new fire station have begun. We anticipate completing final building inspections by June 15, and hope to have personnel responding from the new building around the clock by the end of June.

We have planned a Building Dedication and Open House for Sunday, July 22 at 1pm. The public is welcome and encouraged to attend.

*Firefighters have relocated some essential items to the new station. Pictured here is the breathing air compressor beginning a slow ride up the street.*

*In mid-May we were able to test-fit several pieces of our apparatus into the bay area of the new fire station. This allowed us to determine where each will live, and permitted us to adjust air and electrical shorelines based on each vehicle's need.*
