REF: **Operations Report for July 2018**

Fire Department personnel responded to **135 EMS** and **36 Fire** incidents during July. Crews handled a total of **171 incidents for the month**. This is 18 less incidents than handled in July 2017; 190 less incidents compared to this point one year ago.

A combine fire in Perry Township was the only dollar-loss fire in the Brookville District in July. That fire caused an estimated $1000 in damage.

We assisted our neighbors on 14 incidents; two (2) were EMS calls and the other twelve (12) were fire and non-EMS types of calls.

The **135** EMS responses included responses to six (6) injury crashes.

Fire Department operations were moved entirely into the new fire station on June 28th. The month of July was spent organizing the station, learning the new facility, and preparing for the Dedication and Open House.

On July 22nd the Fire Department hosted a Dedication Ceremony and Open House for Fire Station 76. We were thrilled that hundreds of people from all over Ohio joined us for the afternoon.

We are proud to staff this state-of-the-art facility that will be home to our Fire and EMS services for many decades to come.

The Brookville Fire Department proudly hosted a Dedication and Open House on July 22nd to showcase the state-of-the-art fire station, training classroom, and emergency operations center.
