

FROM THE DESK OF...
RONALD E. FLETCHER, OFE, OFC
DIRECTOR OF FIRE / FIRE CHIEF

September 4, 2018

TO: Mayor and Council
CC: Gary Burkholder, City Manager
FROM: Ronald Fletcher, Fire Chief
REF: **Operations Report for August 2018**

Fire Department personnel responded to **129 EMS** and **29 Fire** incidents during August. Crews handled a total of **158 incidents for the month**. This is 12 more incidents than handled in August 2018, but still 178 less incidents compared to this point one year ago.

An appliance fire in the City was the only dollar-loss fire in the Brookville District in August. That fire caused an estimated \$250 in damage.

We assisted our neighbors on 12 incidents; seven (7) were EMS calls and the other five (5) were fire and non-EMS types of calls.

The **129** EMS responses included responses to seven (7) non-injury crashes, one (1) injury crash, and one (1) pedestrian struck by a vehicle.

The Fire Department continues to play catch-up on many things that could move to a back burner while the transition to the new station was completed. We continue to work through items at the two old buildings in preparation for surplus of items no longer needed.

Personnel completed training on rural water movement, laddering, and search and rescue techniques, as well as behavioral emergencies and cardiac arrest management.

Fire Department personnel practiced drafting as a part of their training on rural water movement on Monday evening August 6. Our ability to move large volumes of water is vital in non-hydranted areas.
