

FROM THE DESK OF...
RONALD E. FLETCHER, OFE, OFC
DIRECTOR OF FIRE / FIRE CHIEF

October 2, 2018

TO: Mayor and Council
CC: Gary Burkholder, City Manager
FROM: Ronald Fletcher, Fire Chief
REF: **Operations Report for September 2018**

Fire Department personnel responded to 135 EMS and 32 Fire incidents during September. Crews handled a total of 167 incidents for the month. This is 10 more incidents than handled in September 2018, but still 168 less incidents compared to this point one year ago. This is the time in 2018 where we experienced more call than in 2017 for two months in a row.

Although we responded on several fires during the month, none of the loss fires were in the Brookville Fire District.

We assisted our neighbors on 9 incidents; one (1) was an EMS call and the other eight (8) were fire and non-EMS types of calls.

The 135 EMS responses included responses to eight (8) injury crashes and two (2) non-injury crashes. One (1) of the injury crashes was an entrapment.

The fall will be a busy time for the Department. During October we expect to present Fire Safety Messages to more than 1,000 people during multiple programs. We also have numerous fire safety inspections and fire hydrant flow testing to complete before the snow flies.

Personnel completed training on hose care and maintenance, communications, and trauma management.

*And Fire Safety Month begins - it's never too early to talk fire prevention!
A group of home-schooled children visited Fire Station 76 on Sept 27th to learn
fire safety lessons and meet firefighters and learn what they do.*
