July 17, 2012

The Regular Meeting of the Brookville City Council was called to order by Mayor Seagraves at 7:30 p.m. on July 17, 2012 in the City Council Chambers. The Pledge of Allegiance was recited. Members Apgar, Cantrell, Duncan, Garber, Howard and Letner; Police Chief Jerome, Manager Wright, Law Director Stephan and Assistant Manager/Finance Director/Clerk Keaton were present. Fire Chief Fletcher was absent.

Tanner Marburger, of Troop 47, stated his Troop is cleaning up around the Boy Scout building and they would like some mulch donated to put around their building. Tanner stated if Manager Wright could go out and look at it, it would be appreciated.

Manager Wright said the City can probably help the Troop with that and asked when the Troop wants to spread the mulch?

Boy Scout Marburger said he needs to get approval from his Scout Master and he will get back to Manager Wright at the next Council meeting.

Manager Wright advised Boy Scout Marburger he can call him at the City Office to make arrangements to have the mulch delivered.

Mayor Seagraves thanked Boy Scout Marburger for coming and advised him to keep working towards his Eagle Scout Badge.

Manager Wright reported the Service Department has delivered approximately 100 of the new recycle totes to date and will be delivering another 75 later this week. Manager Wright reminded Council that we only have 500 of the recycling totes to distribute on a first-come first-serve basis.

Manager Wright advised the City has been contacted by Rumpke, our recycling hauler, about changing from our current once a week pick-up to a five day per week pick-up. Recycling would be picked up on the residents' regular refuse day. Manager Wright advised we initially changed to the one day per week pick-up to save money; however Rumpke is finding it difficult to pick up all of the City's recycling in one day, even with using two trucks.

Member Howard asked if this would impact our cost?

Manager Wright said there will be no increase in the cost to pick-up our recycling.

The general consensus of Council is to go back to the five day per week recycling pick-up versus Monday's only.

Manager Wright advised he will pursue this with Rumpke; it is in the talking stage, but he will keep Council and the public informed as to what is unfolding.

Manager Wright reported it is time to consider our Annual Asphalt Resurfacing and Pavement Removal Program. Manager Wright reported Wagner Paving, Inc. is interested in extending our 2011 Asphalt Resurfacing and Pavement Removal Contract with them for an additional year. Manager Wright advised Wagner Paving has agreed to extend their cost from 2011 to 2012, which is unusual considering material costs are increasing. Manager Wright recommended extending the contract with Wagner Paving, Inc. for our 2012 Asphalt Resurfacing and Pavement Removal Program, with an engineer's estimate of \$154,242.

Motion by Duncan, second by Apgar to allow Manager Wright to enter into a contract with Wagner Paving, Inc. for our 2012 Annual Resurfacing and Pavement Removal Program by extending the costs associated with our 2011 Asphalt Resurfacing and Pavement Removal Contract. All yeas, motion carried.

All yeas, motion carried.

Manager Wright reported Police Chief Jerome would like to change the command structure within the Brookville Police Department by abolishing the Sergeant positions and creating a Major position and a Captain position. There is no additional funding involved, the pay levels have been restructured to where it is a revenue neutral change. Manager Wright stated proposed Resolution No. 12-11 will abolish the Sergeant's position and create the two new positions and proposed Resolution No. 12-12 changes the full time pay Resolution to remove the Sergeant and add the Major and Captain positions.

Motion by Duncan, second by Apgar to read proposed Resolution No. 12-11 and Resolution No. 12-12. All yeas, motion carried.
