Manager Wright stated if there are no objections he will have staff start to prepare the pay resolutions. Manager Wright said for public information the contract is a three year contract which called for a 0% increase the first year, a 1.5% increase the second year and a 2.5% increase in the third year.

Manager Wright reported on September 28, 2012, House Bill 509 went into effect which raises the competitive bid threshold from \$25,000 to \$50,000. Since we are a Charter city, our competitive bid limit is set by Ordinance and our Ordinance right now is set at \$25,000. Manager Wright recommended we prepare an Ordinance to change our competitive bid limit to \$50,000.

Fire Chief Fletcher thanked the Mayor and Council for the short ceremony for the Captain and Lieutenants promotions. Fire Chief Fletcher advised the swearing in ceremony means a lot to his men and their families. Fire Chief Fletcher stated this group of firefighters is a very special group of people and he feels privileged to get the opportunity to get to work with them every day.

Mayor Seagraves commented that Fire Chief Fletcher has made the right selections and the officers he has selected are a great group.

Police Chief Jerome advised crash data is presently the same as it was last year at this time period and citations and reportable incidents have gone down since this same time period last year.

Police Chief Jerome reported the Eddie Eagle Gun Safety Program was presented to 80 students at Brookville Elementary School on October 11, 2012 and the Fingerprint and Photo Project with 117 new students and kindergarteners was completed on October 12, 2012.

Police Chief Jerome reported approximately 120 people attended the Movies in the Park program on October 13, 2012.

Police Chief Jerome reported the Second Annual Veterans Day lunch will be held at Rob's Restaurant on November 12, 2012. Last year 900 people were fed in three hours with the help of members of area Police Departments helping to greet and seat patrons and bus the tables.

Law Director Stephan advised a recent Ohio Supreme Court ruling involving a case between the City of Centerville and Sugarcreek Township may affect our city. In this case the City of Centerville had done an expedited type two annexation where the township continues to receive property taxes as the property cannot be removed from the township. Later the City of Centerville did a tax increment financing plan for a new development which exempted the improvements that were built in this area. The Supreme Court ruled the City of Centerville could adopt a tax increment financing plan in an expedited type 2 annexation area. This case is important because we have done expedited type 2 annexations in the past and may do them in the future, and tax increment financing may be a tool we can use in the future for economic development; particularly in commercial areas.

Assistant Manager/Finance Director Keaton requested Council adopt proposed Ordinance No. 2012-10 which approves and adopts the 2012 Replacement Pages to our Codified Ordinances.

Motion by Cantrell, second by Howard to read proposed Ordinance No. 2012-10. All yeas, motion carried.

All yeas, motion carried.

Assistant Manager/Finance Director Keaton requested an Executive Session on an Imminent Court Action and a Personnel Matter to discuss the reappointment of various Board Members.

Member Letner commented it was nice to read the letter to the front office sent by Gloria Thorpe.

Mayor Seagraves thanked Member Letner for running the September 18, 2012 Council Meeting in his absence.

Mayor Seagraves encouraged everyone to get out and vote on Election Day.

Mayor Seagraves said he received several phone calls in the past few days about Manager Wright and his staff. One call was from a citizen involving the clean-up of a tree that fell on her car during the heavy winds last week and the other calls were positive comments about the leaf pick-up program.

Member Cantrell said the Brookville Fire and Police Departments did a great job assisting with the Breast Cancer Walk on October 13, 2012.

Member Cantrell advised she read the Park Board minutes and as the former Brookville Chamber of Commerce President who helped to organize the Handivan quilt auction and the Sunday Service at Golden Gate Park following the Community Picnic, she wants to clarify that the churches do not take monetary donations during the service. The churches do ask for canned good donations for the FISH organization. Member Cantrell also stated that she feels Handivan is entirely deserving of all the proceeds from the quilt auction for the services they provide to the people of our community. Member Cantrell advised she would not even think of asking Handivan, the churches or any of the individuals involved in making the quilts for a penny of those auction proceeds.

Member Apgar agreed with Member Cantrell that Park Board should not ask for any proceeds from the quilt auction. He did say however, that he received an envelope to place an offering in when he attended the service this year.

Member Cantrell stated she attended the service but she did not receive an envelope.

Member Apgar said the comment at the Park Board Meeting was if the Chamber gives half of their proceeds to Park Board, so why would Handivan not be required to do the same?

Member Duncan clarified that the Park Board minutes state that the person inquired about the issue as a citizen, not on behalf of the Brookville Chamber of Commerce.

Manager Wright stated if Park Board would require Handivan to give them half of the quilt auction proceeds they will hold the auction somewhere else. That defeats the purpose of bringing people into the Park.

Member Cantrell stated she thinks the idea of the Chamber donating half of the Picnic proceeds to the Park was that it was a tradition more than a must. It was never set in stone; the Chamber always gave that money to the community as a thank you for sharing in a community event.

Manager Wright stated there were many years where the City did not receive a dime of the Picnic proceeds.

Member Cantrell agreed and said a donation was always given by the Chamber to help improve the Park and it is amazing how it has turned into a tit for tat business.

There was no Old Business.

There was no New Business.

Motion by Duncan, second by Apgar to go into Executive Session on an Imminent Court Action and a Personnel Matter to discuss the reappointment of various Board Members as requested by Assistant Manager Keaton. All yeas, motion carried.

Mayor Seagraves called Council back into Regular Session.

Motion by Duncan, second by Howard to adjourn. All yeas, motion carried.
